
Winberie's Restaurant & Bar to Briefly Close for Remodeling

Princeton, NJ (January 25, 2019) – Popular Princeton restaurant, Winberie's Restaurant & Bar, will be undergoing renovations at the conclusion of business on February 9, 2019 and will be closed for several weeks with plans of reopening sometime in March. Select Restaurants, Inc., parent company of Winberie's, announced today.

“For more than 35 years, residents, visitors, university students and their families have enjoyed the uniqueness of Winberie's,” said Todd Sheppard, spokesperson for Select Restaurants, Inc. “The upcoming temporary closing will allow construction crews to give the restaurant a new look. When Winberie's opens again in March, our guests can expect the same quality of menu choices and service in an updated atmosphere that will provide a new experience for dining and socializing.”

All current employees are expected to return when the restaurant reopens. An announcement about that date will be made approximately two weeks prior to completion of the renovations.

Gift cards for Winberie's Restaurant & Bar will be honored when the restaurant resumes business after the remodel.
